To the Lawrence community,

As a community, we are committed to creating a safe and inclusive environment for all members of our community. We are committed to promoting critical and compassionate thinking that includes respect for the perspectives of the humanity of all involved in our dialogue. We are committed to creating a safe and inclusive environment for all members of our community. We are committed to promoting critical and compassionate thinking that includes respect for the perspectives of the humanity of all involved in our dialogue. We are committed to creating a safe and inclusive environment for all members of our community. We are committed to promoting critical and compassionate thinking that includes respect for the perspectives of the humanity of all involved in our dialogue.

We received several bias incident reports including one related to an interaction between two students which resulted in a student being injured. We are committed to creating a safe and inclusive environment for all members of our community. We are committed to promoting critical and compassionate thinking that includes respect for the perspectives of the humanity of all involved in our dialogue.

Sincerely,

Kimberly Barrett, Ph.D.
