What regulations or policies did the respondent allegedly violate? (Please cite source)

GSR 4.05 No student shall use any University facility, equipment, or materials except for their authorized purposes.

Network Acceptable Use Policy

How did the respondent violate these regulations?

The student broke the Michigan State University Acceptable Use of Computing Systems, Software, and the University Digital Network (administrative ruling) and the Guidelines for use of bulk e-mail by sending out and demanding that I file charges against her.

Acceptable Use Policy by continuing to send out bulk unsolicited emails to MSU email accounts.

student shall represent a group falsely or use the resources of a group without proper authorization in a way contrary to the guidelines which clearly state that proper

breach of GSR 4.05 as sending bulk email through the MSU Network and were relayed using MSU email

Although open to some interpretation GSR 4.08 and 5.02 may also apply, as bulk

email is often likened to the use of the network for spamming the email.
